Dear Brad,

Do you know that there are two strange sophomore girls in this class that have a fan club for you? Isn't that dumb? Bec & I think so too! It's really been great sitting next to such a cute boy in Spanish I don't get that kind of chance very often. And you are so very cute. In fact if I didn't know better I might even like you.

Oh well, see ya next year (I hope)

a Year of Change

Dear Student Body:

This has been an interesting year at Calhi. Many new programs have been tried, and many have been successful in making this a better year.

But before we can make Calhi a better place, we must make ourselves better people. We must discover our own personalities, be honest with ourselves, find out what we must do. You must know what you are doing before you can do anything. If we all make ourselves better people, we can make Calhi better. And not only that, we will make our community, and ultimately our world, a place of peace and hope.

Dear Student Body:

Cabinet has tried many things this year. A lot of them have been successful. Some haven't. I think it has been a good year, though. Spirit is one thing that is often said to be unimportant. But it is one of the things that can make a difference between a poor year and a good year. I think Calhi has had spirit this year. May every year bring greater spirit, pride, and greatness.

I'd like to wish you all the best of luck, peace, and happiness.

Leadership Through Service

Dear Student Body:

Another school year has drawn to a close and for the seniors it is the last of their "Best Four." As a group of senior girls, the Athenas have tried to serve the school in every way possible.

I would like to thank my cabinet, Beverly Young, vice-president, Paula DiMauro, secretary-treasurer, Bonnie Wolstoncroft, parliamentarian, and Sandy Mulkey, representative to Statesmen, as well as all the other Athenas for helping to make our organization the success that it was. We hope that as a service group we, the Athenas of Calhi, have helped to make the year 1967-68 just a little bit better for each one of you.

Sincerely,
Sylvia Lindquist

Dear Student Body:

The Statesmen organization of California High School will be remembered this year as a group of young men who conscientiously tried to manage student and campus problems so that the objectives were accomplished and there was little ill will felt within the student body.

We have tried to work with you rather than over you! If we have succeeded, you, the students, must share in the credit. We, the Statesmen, extend to you our thanks.

To Mr. William Smith, our advisor, our sincere appreciation.

Dear Student Body:

This year has been a great year and a wonderful year for me. This is the year that I'll always remember over and over again when I go back to my first country, the Philippines.

I don't like to say goodby but I have to go. So I'll just say "hanggang sa muling pagkikita" or till we meet again. And if any one of you happens to go to the Philippines I'll be there to welcome you. I want to show you also the kindness that you have done to me.

This year could have been very long. You made me understand you and I appreciate that.

I will always cherish this year and will always tell my people of your kindness and hospitality.

Thank you, all of you—my family, school and friends. I hope to see you some day.

"Birds, Birds, Doing Fine"

Head Coach Jay Roundy

This year's Varsity football team, coached by Mr. Jay Roundy, had a successful season in the face of stiff competition, turning in the most outstanding record in four years, and ending up with a 3-2 league record, and a 4-4-1 overall record.

One of the highlights of the year was the victory in the La Serna game, the only game La Serna lost all season.

In this, Coach Roundy's last season as head coach, the team finished with a fine record, in spite of the loss of three top players before the season started. The team ended the season strongly, winning the last three games easily.

Varsity Beats CIF Champ, La Serna

The Varsity Football Team finished the season on a victorious note, winning the last three games and finishing in third place in league competition. This year's practice schedule was very rough, with three teams winning their respective leagues, being rated in the top ten of the Triple A, and moving on to the C.I.F. playoff. The players gave their best all season long and developed into a fine football team. In the coming years I hope Calhi football will be important to not only the players, but to everyone in school. With many players returning I am sure that Calhi will once again be battling for the championship. Good luck to the seniors, and thanks for your contribution to Calhi football. To those coming back, I would like to see them dedicate themselves to do better and be a better football player.

To The '67-'68 Varsity Basketball Team: CALHI'S FINEST.

Congratulations to each of you for your part in making this team the best in the 15 year history of California High Basketball.

We expected a good team and scheduled the best competition to play. You met the challenge in championship fashion.

You established many team records during the season. The most wins (22); another league championship, the fourth in a row; the most points in a season (2,085); the most points in one game (117); the highest scoring average per game (77) and championships in two tournaments, to name but a few new records.

Individual performances also changed the record book with Rich Allen becoming the leading scorer for one season (440) and three years on the varsity (878). Rich was also later honored as an All-League selection and named to the FIRST TEAM ALL-CIF selections. Dave Walters scored 25 points in leading Calhi to the tournament championship at Pioneer and had many brilliant moments in becoming an All-League choice. Dennis Mould also made the All-SGVL team and maintained consistently good performances in scoring and rebounding. There were many other outstanding individual efforts from the group that dedicated itself to become the best in Southern California—and very nearly were.

Calhi will long reflect pride in you and your accomplisments.

Continued success,
Jim Remington

Undefeated Junior Varsity

This year's Junior Varsity Basketball team compiled a perfect season record winning 21 games without a loss. They added their second league title in two years and in pre-season victories wrapped up first place in the Los Altos J.V. tournament.

The Condormen were led in scoring by Joe Linneman (15.1), Jim Mercer (12.5), Jerry Perisho (9.8), and John Penfield (8.0). Captain Scott Dunham was the playmaker and hawk while the "branch", Mike Deputy, rebounded well. Two freshmen, Mike Stegman and Dave Fox, contributed heavily to many victories.

The team averaged 65.9 points per game and held their opponents to a 42.2 point game average.

Congratulations to the entire team for their very successful season.

TENNIS, FIRST ROW: Patty Dahl, Barbara Dahl, Barbara Chilson, Edith Watson, Cindy Watson. ROW 2: Barbara Grohs, Beth Haynes, Linda Lindskog, Linda Robinson, Renette Alder, Betsy York.

The tennis team had a good season, beating Santa Fe, Monte Vista, La Serna, and Whittier. They were defeated by Sierra. Members of the Single's team included: Barbara and Patty Dahl, and Cindy and Edith Watson. Doubles were: Linda Lindskog and Renette Alder, Linda Robinson and Betsy York, and Beth Haynes and Debbie Holderness. The team was coached by Miss Bonnie Garrison.

ROW 2: C. Badostain, E. Aspell, D. Parker, P. Jackson, T. Gibson, C. Broski, B. Haynes, M. Call, D. Cusick.

We never met a team that was better than we were but one of them beat us . . . We had a very successful softball season, meeting and defeating Monte Vista 14-4; La Serna 16-5; Whittier 9-3; and Santa Fe 9-4. Our last game was a make-up game with Sierra and everyone was jittery. Consequently we lost 8-9. This year's team is young and with more experience we should have great teams in the next few years.

The 1967-1968 Condor Blues under the direction of Miss McCauley, Drill Team advisor, and Patty Dahl, Drill Team president, participated in many exciting activities. These included excellent half-time shows, parades, and participation at pep rallies.

Something new this year was the addition of five flagsters and ten flag carriers, who also assisted the band as well as being an active part of Drill Team.

Drill Team's rigorous training rewarded them with tremendous success, as proven by their awards won at the Whittier Homecoming Parade, Santa Monica Parade, and the Pioneer Jamboree.

Mr. Heckel

Cal-Hi had a fine Marching Band this year. Under the direction of Mr. Charles Heckel and drum major Robert Lester, the band excelled in precision and performance.

The band ignited spirit and enthusiasm at our football games with fight songs and entertained us with good half-time shows.

They marched in competition at Santa Monica, Arcadia, Rosemead, and at the L.A. County Fair. They took a second place at the Pi-Hi Half-Time Show Jamboree.

The band topped off a great year with a superb showing in the Santa Claus Lane Parade in Hollywood.

The primary goal of the Freshman Class is to become an active section of the Calhi Student Body. The Freshman Class hopes to be able to keep alive the fine reputation and prestige that goes along with attending Calhi.

Already after just the first quarter, the Freshmen have made their mark. The C water polo team, composed mainly of Freshmen, earned first place in both District and League competition. The C football team, also with a majority of Freshmen, ended with a League record of 2-1-2. The Freshman Cross Country team grabbed second place in District and fourth in the League, with an overall record of 6-3.

Freshman girls have also taken an active part in school activities. They entered three skits in Hi Jinx with one of them, "Mod Mannequins," receiving the "Most Smiling" award and the "Back Street Bullies" winning the Freshman Division prize. Many Freshman girls are out for baseball. Several Freshmen were also included in the fall play "The Skin of Our Teeth."

The secondary goal of the Freshman Class is to help its individual members to have an enjoyable school year. Plans along this line included a dance at La Serna involving the Freshman and Sophomore Classes of both Calhi and La Serna. Plans to raise money for this dance were made by the Freshman Class Council. These plans comprised a paper drive, a bake sale, a stand at a swap meet, and a car wash.

The ultimate goal of this Freshman Class, in its four years at Calhi, will be to earn an outstanding reputation for itself. It could do this by performing in a superior manner in athletics, by doing excellently on district-wide tests, and by having the most people on honor roll. This goal is indeed a worthy one.

Only time will tell if it is achieved. Whether or not it is, the teachers and administrators of Calhi will surely have done all they could. It will be up to us, the individuals, and to this class as a whole, as to what impression the Class of '71 makes at Calhi.

Sincerely yours,
Tom Padia

The Sophomores this year have been very active. We held bake sales, car washes, swap meets and food sales at the games to raise money for our dance. We did all of these very early in the year to make sure there would be success. We have been very successful and at a number of other things also.

The Class of '70 has lots of spirit and is always trying its hardest to achieve its goals. Our president and class council came up with good and original ideas for a successful and really great year. The Sophomores altogether have been really wonderful in carrying these plans out.

Last year was just a small example of what we can do as a great and spirited class. This year we'll show you that we can go beyond that!

Sincerely yours,
Cindi Kim

With the advent of the traditional Junior-Senior Prom, which is sponsored by the Junior Class, the Junior Class Council has been working diligently trying to develop a theme and the type of Prom which will appeal to all students at California High School. To bring about an acceptable theme, the Prom has been the subject of constant debate and discussion at every meeting and will continue to hold first priority at our Wednesday meetings until a blueprint of the Prom has been drawn and fully agreed upon by all the members of the class council.

In an attempt to avert the confusion and last minute problems which have plagued previous Junior Classes before the Prom, we are working out the rough spots and difficulties well in advance in order to avoid these problems which seem to pop up every year.

To achieve our goal of having one of, if not the best Prom Calhi has ever had, we plan to carry out many money raising activities after the basic plans have been fully completed and approved. With weekend bake sales, car washes, and rummage sales, we hope to raise the money needed to carry out our plans.

With the burden of the Prom and its planning, there is not too much time left for other activities but we plan to develop class unity and pride as the year progresses and make the class of 1969 one of the best Calhi has ever had.

Sincerely,
George Giokaris
Junior Class President

Mr. James C. Stockton

We are honored to Bestow this dedication

This year your 1968 *Talon* is dedicated to Mr. James C. Stockton. The Annual Staff chose this person as one whom we felt was well known throughout the school for his many contributions to Calhi.

During his high school years Mr. Stockton was a member of the band and active on the football, basketball, and track teams. As a student he participated in school activities and has carried this interest on into his teaching career.

Before entering college he was a member of the Signal Corps in radio intelligence stationed at San Francisco.

After serving in the Signal Corps, Mr. Stockton continued his education, first at UCLA then transferring to Mexico City College where he majored in art and minored in Spanish. From Mexico City College he received his Bachelor of Fine Arts degree. He then entered USC where in 1953 he received a Bachelor of Science of Education degree.

In college he continued his interest in football, was a member of the Art Club and took up skiing.

Mr. Stockton has taught in various schools in Southern California and also in Germany and Spain. From 1953-1959 he taught grades three through nine. It was in 1959 that Mr. Stockton began his career at Calhi.

He is a person of varied interests. He founded the American Sports Car Club in Southern Spain. He has had art work on display in Mexico City, and while in the service he was editor of the Air Force Yearbook.

He likes music and he plays the piano for his own enjoyment.

Mr. Stockton has been advisor of the *Talon* Staff for seven years. He helps raise money for the teachers' scholarship each year and he has been active in other school activities, such as the AFS Fashion Show.

We are proud to be able to honor you in this way. Thank you for your dedication to Calhi.
